Hosted by: Marquette Baseball Booster Club*

On Saturday, February 26, 2022 the Marquette Baseball Booster Club will host its 14th Annual "Winter Warm Up" Trivia Night. This fundraiser will support the Marquette High School baseball program. A Silent Auction, highlighting area businesses, will be a huge part of this event and we would like to ask for the participation of your business. Your support of the Marquette Baseball Program is a great opportunity to get your business name and product out to the community. Marquette Baseball Booster Club will list all businesses participating in the program information at the event.
